

**5th Annual Run/Walk/Kids Fun Run  
In Memory of Dr. Angelo Casabianca**  
Saturday June 22, 2013  
Chadwick Lake Park, Newburgh NY

The 4<sup>th</sup> Annual Lap4Life event was a huge success with well over 1000 race day attendees that raised more than \$52,000.00 for the research of desmoids tumors and ways to make organ transplantation safer. We are excited to be preparing for an even bigger 2013 event. Over the past four years, Lap4Life has received an overwhelming response from runners, walkers, volunteers, and spectators. It has proven to be a wonderful community event. Due to this response, Lap4Life is starting to prepare for 2013 and we currently are seeking new sponsors and underwriters. This opportunity will give your business a wonderful marketing and promotion opportunity while giving back. We ask that you join Lap4Life in our journey to build hope and save lives for those with desmoids tumors and in the need of organ transplant.
